

Alitho grease

Lithium based Grease

TECHNICAL DATA SHEET

Description:

Veedol Alitho greases are multipurpose lithium based greases with high water and oxidation resistance properties. They are available in NLGI consistencies of 2 and 3.

Performance Specifications:

Meets & exceeds the performance requirements of

- IS 7623 : 1993 (Reaffirmed 2011)

Features/Benefits:

- Possesses excellent anti-corrosion, anti-rust characteristics.
- Can withstand high operating temperatures
- Excellent structural stability

Application:

Recommended for plain and anti-friction bearings.

Typical Properties:

Test Parameters	Test Method	Typical Values	
		Alitho 20	Alitho 30
Texture	--	Smooth	Smooth
NLGI Consistency	--	2	3
Soap type	--	Lithium	Lithium
Worked Penetration, 60st @25°C	ASTM D 217	281	238
Drop Point, °C	ASTM D 2265	190	191

Properties mentioned above are typical only and minor variations which do not affect the product performances, are to be expected in normal manufacturing.
